RE: Delta Natural Gas Company, Inc.
Case No. 2021-00185 - Filing Deficiencies

The Commission Staff has reviewed the application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

- (1) 807 KAR 5:001, Section 17 (4) (b): Delta Farm taps and those formerly served by Peoples Gas should have separate rows in the Monthly Customer Charge and Consumption Tables of the notice as they have different present rates; A note should be added below the Monthly Customer Charge Table of the notice stating that the present and proposed rates listed do not include the \$.30 Energy Assistance Program Tariff charge and that the charge will be billed as a separate line item in the future; The \$25 turn-on fee under the Change of Ownership provision should be included in the notice as it is new; and the additional special charges applicable to Farm Tap Service customers should be included in the notice as they were not previously applicable to farm tap customers formerly served by Peoples Gas.
- (2) 807 KAR 5:001, Section 17 (4) (d): Delta Farm taps and those formerly served by Peoples Gas should have separate rows in the Average Monthly Bill table in the notice and the current average bill for farm tap customers formerly served by Peoples Gas should be calculated based on the Peoples Gas GCA rate.
- (3) 807 KAR 5:011, Section 8: The following substantive text changes were not included in the notice: Revisions to the Interruptible Service Character of Service description; Addition of government or university-owned housing facilities that may be served as residential to the Availability Section under the Transportation of Gas for Others On System Utilization Tariff; The new Force Majeure language; and Change of Ownership language under the Farm Tap Service Tariff.
- (4) 807 KAR 5:001, Section 16 (8) (l): The narrative of proposed tariff changes did not include the following items: Original Sheet No. 2 – Energy Assistance Program Tariff charge being removed from the customer charge; Original Sheet No. 5 – Interruptible Service Character of Service description; Original Sheet No. 6.2 – Farm tap change of ownership and turn-on fee and special charge language; and Original Sheet No. 20 – Force Majeure provision.

You are requested to submit the information necessary to cure the deficiencies within 20 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,
